wish to be recognized?

SENATOR WITHEM: Yes, Madam President and members, it is apparent, from visiting with some members on the floor, that there appears to be some structural problems with the amendment as drafted. And rather than take the body's time to try to iron them out with yellow-pad amendments at this point, it is my desire that we maybe take a little time off the floor to get the amendment drafted in proper fashion. So to expedite that process, I would like to withdraw the Withem amendment to the amendment.

PRESIDENT MOUL: Senator Bohlke, did you wish to be recognized too?

SENATOR BOHLKE: Yes, Madam President, I also would like to withdraw my amendment to allow us an opportunity to meet some more of the concerns raised on the floor today. Thank you.

PRESIDENT MOUL: Thank you, Senator Bohlke. Senator, or, Mr. Clerk, you have a motion on the desk.

CLERK: Senator Withem would move to indefinitely postpone the bill, Madam President, and Senator Byars would have the opportunity to lay the bill over, if he was so inclined.

PRESIDENT MOUL: Senator Byars, do you wish to lay the bill over? Okay, the bill is laid over.

CLERK: Madam President, an announcement, if I may. Transportation Committee would like to have a meeting underneath the north balcony at ten-thirty; Transportation underneath the north balcony at ten-thirty.

PRESIDENT MOUL: Thank you, Mr. Clerk. While the Legislature is in session and capable of conducting business, I propose to sign and do sign LR 38 and LR 39. LB 141.

PRESIDENT MOUL: Senator Hohenstein.

SENATOR HOHENSTEIN: Madam President, I would move the adoption of the E & R amendments to LB 141.
